Dear Joel,
Thanks!

The Provider asked for the following:

for a copy of the master license--or a means of confirming the licensed status--of the company providing the sublicense (Cyberluck Curacao N.V.). The entire validity of the sublicense is based on the validity of this master license, so please ask the provider to give a copy of that.

Could you please help me out and send to me.

Hi Petar,

Please find attached the signed documents. With regards to the license certificate, kindly provide me with the relevant e-mail address for LetKnow so we can request the digital certificate from CEG accordingly.

Hey Joel,

We have a new provider for onboarding.

They have sent us a list with the relevant forms and company documents required for the onboarding. For some of them, I will need your assistance, please see below:

- MAF (I have already completed it and sending it just for your reference)
- **Declaration of TAX Compliance.** Please obtain it completed and signed. Note – that the doc must be signed in ink by hand

Thank you very much in advance!
