- IMPORTANT LICENSE INFORMATION -

The trade name "Curaçao eGaming" or "CEG" is owned by Cyberluck Curaçao N.V. ("Cyberluck"), a public limited company, incorporated on March 15th, 1996 in Curaçao. Cyberluck is licensed by the Government of Curaçao since October 1st, 1996 under license reference 1668/JAZ to offer games of chance, including the right to under regulatory obligations grant the said offering to third party IP-operators, commonly known as "sublicensing". Private License Certificate "C" is a bespoke, private certificate, issued at the request of a Critical B2B Supplier, catering to the relevant IP-Operator, listing the information of one single domain and its Alternate Designations ("AD's") for compliance purposes. Private Certificate "C" can only be used to provide assurance to the Critical B2B Supplier that the website is under compliance oversight by CEG at the date the said certificate was issued. To safeguard that certified operations have remained legitimate, this certificate needs to be accompanied by a valid public certificate "A", which should be published via the integrated verification seal on the website as mentioned on this certificate. Any abuse of the certificate may lead to a criminal complaint by CEG, filed in all relevant jurisdictions. CEG under no circumstance grants licenses that have not been approved by the board of directors of the licensed IP-Operator. By law, only locally formed companies (B.V. or N.V.) may hold a (sub)license. No Curaçao entity may operate under a foreign license. Only CEG may grant authority to offer games of chance under its sublicense. CEG may at any time revoke sublicenses. For fraud prevention purposes, no digital third party validation systems are allowed. For more information on the certification process and details on how to check for signs of authenticity or to report abuse, go to: curacao-egaming.com/piracy
